Field Museum By Julius Lugo

The Voyagers went to the Field Museum. Some kids thought it was fun and some didn't like it. They learned lots of new things like Africa, dinosaurs, bugs, and plenty of other stuff. Some kids liked the Egyptian part. And the bathroom was big and clean- almost everybody I know liked the bathrooms. Some kids did not like when we were looking at the bugs. Most importantly, we learned something.

Camp Store By Rachel Trebswether

The camp store is every Friday. It is full of great products like Healthy Kids Dolls, yummy foods, and CD holders. Camp Store has very reasonable prices on every thing! The first time I went to the Camp Store I thought it was awesome! You should visit the Camp Store right away.

This Week At Camp

By Kate Ponzi
 On Wednesday, the Voyagers & Trailblazers went to the Field Museum. We had so much fun at the museum! I liked the African section of the museum. We had a fun time riding there! On the way back people went to sleep because they were so worn out!
